The Cornucopia is also called "The Horn of Plenty." At Thanksgiving time, a cornucopia is traditionally overflowing with food from the harvest, like apples, grapes, squash, potatoes, and all sorts of fruits and vegetables. Here is a cornucopia overflowing with minerals for you to color and identify. In this picture are the following minerals: wulfenite, emerald, tourmaline, silver, azurite, malachite, amethyst, fluorite, pyrite "sun," calcite, magnetite, and wavellite.
